

Welcome!

Travis Miner
Worship/Online
Pastor

God is good. This can become a statement that believers take for granted, but I hope you can take time to think about how important that is. God is GOOD!

Through the last several days, we have seen some very warm temperatures. However, they don't scratch the surface of the misery that exists in Hell. As we continue our series on the afterlife, "One Minute Later", we must accept some unpleasant truths. Probably the toughest is the fact that Hell is real.

If you are visiting today, we are thrilled you have decided to worship with us! Please drop by the Starting Point, near the main entrance to the sanctuary, to learn more about our church and get a gift! We invite you to connect with our ministries, Life Groups, and service opportunities at the Starting Point in the Worship Center.
