

Welcome!

Travis Miner
Worship/Online
Pastor

Our country celebrated 248 years of independence this week, which is fairly amazing! What’s even more impressive is the eternity of freedom each one of us is promised by our God when we declare our dependence on Him.

Most of us have thought about what Heaven will look like when we arrive. Have you ever stopped to think about what *we* will look like? The Bible tells us that our *spiritual* bodies will exist forever. This morning, Danny will look at what that means.

If you are visiting today, we are thrilled you have decided to worship with us! Please drop by the Starting Point, near the main entrance to the sanctuary, to learn more about our church and get a gift! We invite you to connect with our ministries, Life Groups, and service opportunities at the Starting Point in the Worship Center.
