

Welcome!

Danny Berry
Lead Pastor

Worship is what connects us with God and even each other. I am glad that you are worshipping with us today!

We finish our series, “One Heartbeat Later,” this morning by looking at why Heaven matters and what it means for life today.

For some of us, Heaven is about later. But in reality, Heaven should be about the now. The way we love God, how we love others, how we think, and even how we feel. Heaven begins now!

If you are visiting today, we are thrilled you have decided to worship with us! Please drop by the Starting Point, near the main entrance to the sanctuary, to learn more about our church and get a gift! We invite you to connect with our ministries, Life Groups, and service opportunities at the Starting Point in the Worship Center.
