

Welcome!

Danny Berry
Lead Pastor

Here we are! Another Sunday to come together and worship our amazing God. Thanks for joining with us today!

Do you ever feel stuck? Sure you do. We all do! Israel had the same problem in its earliest days when led by a group of people called “judges.” It seemed that Israel could not get its act together as it went through cycles of obedience and disobedience.

Even if you have followed Jesus for years, you know we have high and low periods in our relationship with Him. How can we be more consistent? How can we keep the change? We will find out today!

If you are visiting today, we are thrilled you have decided to worship with us! Please drop by the Starting Point, near the main entrance to the sanctuary, to learn more about our church and get a gift! We invite you to connect with our ministries, Life Groups, and service opportunities at the Starting Point in the Worship Center.
