

Welcome!

Danny Berry
Lead Pastor

What an amazing God we have to worship and adore today! I am so glad you have joined us at Cambridge City Christian Church.

What does it take to bring change in your life? Many of us fight change because we know it will cost us something, or we don't change because we like the status quo. But what happens when the status quo is not good enough?

In our 8th week of the Story, we will look at the Judges of Israel who challenged God's people to change. Like many of us, they were trapped in a cycle of faithfulness followed by disobedience to God. Where are you, and what will it take to get right with God?

If you are visiting today, we are thrilled you have decided to worship with us! Please drop by the Starting Point, near the main entrance to the sanctuary, to learn more about our church and get a gift! We invite you to connect with our ministries, Life Groups, and service opportunities at the Starting Point in the Worship Center.
