

# Welcome!

**Danny Berry**  
Lead Pastor

I hope you looked forward as much as I did to our time together this morning as we worship our great and glorious King, Jesus!

As I share God’s Word today, we will take a look at a time in the history of Israel when most of its leaders turned their back on God and His ways. They did not think being pure before the Lord was all that important.

Today, that has not changed. Many people, even those who follow Jesus, don’t put much effort into purity...but we should. God wants us to take Him seriously; when we do, we will be blessed.

If you are visiting today, we are thrilled you have decided to worship with us! Please drop by the Starting Point, near the main entrance to the sanctuary, to learn more about our church and get a gift! We invite you to connect with our ministries, Life Groups, and service opportunities at the Starting Point in the Worship Center.
