

# Welcome!

Danny Berry  
Lead Pastor

God is so good, isn't he?! What a tremendous blessing to be together today and give Him the praise and glory due to His name!

We continue our walk through the Bible this week. Can you believe we will come to the end of the Old Testament today by looking at the rebuilding of the walls of Jerusalem? Through the leadership of Nehemiah and the dedicated work of the people in Jerusalem, they were able to rebuild the wall and their lives with God's guidance and protection.

Even today, God is in the business of rebuilding people. During our message today, you will be challenged to surrender to God's work and let Him rebuild you!

If you are visiting today, we are thrilled you have decided to worship with us! Please drop by the Starting Point, near the main entrance to the sanctuary, to learn more about our church and get a gift! We invite you to connect with our ministries, Life Groups, and service opportunities at the Starting Point in the Worship Center.
